Education

Program	Institution/Board	%/CGPA	Year
B. Tech (Computer Science & Engg.)	Dayananda Sagar University <i>Bengaluru South, Karnataka</i>	8.38/10	2023-27
Pre-University Course	Gurukula PU College <i>Kundapura,, Karnataka</i>	90%	2021-23
Central Board Of Secondary Education	Gurukula Public School <i>Kundapura, Karnataka</i>	95%	2021

Key Projects

- Stock Market Price Prediction using LSTM, FinBERT and NLP [🔗](#)

Built a stock market prediction system using LSTM, FinBERT, and NLP techniques for analyzing financial news sentiment and historical stock market data.

- Sentiment Analysis of Online Reviews using NLP. [🔗](#)

Designed and implemented a ML model for detecting sentiments of online reviews using Python and Machine Learning .

- Vehicle Accident Detection System

Developed an embedded system to detect vehicle accidents and automatically send emergency alerts with live GPS location.

- Hotel Reservation System using Spring Boot. [🔗](#)

Built a real-time hotel reservation system using Java and Spring Boot for fast and simple Hotel booking.

- University Management System using MySQL.

Designed a real-time University Management System using MySQL and IntelliJ IDEA for efficient university administration.

Online Courses

- NPTEL's "Pattern Recognition And Application"
- NPTEL's "Business Fundamentals for Entrepreneurs"
- Infosys Springboard's "JAVA"

- Infosys Springboard's "*Network Fundamentals*"

Technical Skills

- **Programming Languages:** C, Python, Java
- **Web Technologies:** HTML, CSS, JavaScript
- **Frameworks & Libraries:** Spring Boot, TensorFlow, OpenCV, Django
- **Databases:** MySQL, MongoDB
- **Tools & Platforms:** GitHub, VS Code, IntelliJ IDEA

Achievements

- Secured **90%** in PUC and **95%** in SSLC, placing among the top performers.
- Maintained a strong academic record with a **8.38 CGPA** in B. Tech.
- Developed a **University Management System** demonstrating strong SQL and database design skills.
- Completed certified courses in "**Network fundamentals**", "**Java**", "**Pattern Recognition and Application**", from Google, Infosys & NPTEL.

Internships

- Completed an online Artificial Intelligence mentorship internship program with Teachnook, gaining hands-on exposure to machine learning and AI concepts. [!\[\]\(4e333a6106fc298d0ae6dff272a736ef_img.jpg\)](#)

Others

- Strong **problem-solving** and **analytical thinking abilities** developed through academic projects and programming practice.
- Fluent in **Kannada, English, Hindi**.
- Enthusiastic about **Sports and campus cultural activities** that promote teamwork and leadership.
- Passionate about exploring new software tools, open-source projects, and emerging technologies in the tech ecosystem.

Declaration

I do hereby declare that all the details furnished above are true to the best of my knowledge and belief.

Place : Bengaluru, Karnataka (India)
